The polls will be open at the Bethel Fire Station from 10 a. m. to 8 p. m. for casting ballots in the Special Election on Tuesday, Nov. 8. In addition to the moose question, bond issues, and election of State Representative for District 63, Bethel will hold a local referendum dealing with whether the Town of Bethel should acquire the assets and liabilities of the Bethel Water District and dissolve the Bethel Water District. Details may be obtained by calling the Bethel Town Office or viewing specimen ballots which are posted at the Town Office. New residents that are not registered may do so at the polls and vote on the same day. Absentee ballots are available upon request.

Acting to reduce the Town's heavy yearly dependence on tax anticipation borrowing to pay day-to-day municipal bills, voters at a Special Town Meeting Tuesday evening, Nov. 1, authorized the Board of Selectmen, on the Town's behalf, to carry out all activities necessary to change the municipal accounting year to July 1 to June 30 and provide for semi-annual tax billing beginning in 1984. Between 30 and 35 local voters in the Telstar Lecture Hall, heard a report from the Manager

TELSTAR HIGH REBELS END SOCCER SEASON AT 9-4-3

The Telstar varsity soccer team completed its first winning season ever with a 9-4-3 record. The Rebels were eliminated in the semi-final round of the Western Maine Class C playoffs on Wednesday, Oct. 26 at Georges Valley High School of Thomaston. The Rebels played their most spirited game of the season but fell short on goals as the Buccaneers showed superior soccer and moved on to the finals with a 3-1 victory.

After a scoreless first half the Buccaneers scored about halfway through the third quarter but the determined Rebels tied the score with just eight seconds left in the period. The Telstar defense held off the Buccaneers in eleven consecutive games. The Buccaneers took the lead for good at 3:22 of the final period and late in the game they scored their third goal as the Rebels had left only two defenders in an attempt to strengthen the attack and tie the score.

During the season the Rebels accumulated 10 school records and three individual records. Among these were most wins; most goals scored in a season, 37; most assists, 31; and least goals allowed, 22. Individual records went to senior goalkeeper Scott Tabb, best goals-against average, 1.38; and two records to junior Bruce Barth, continued on Page Five

COMMUNITY LANDMARK TO BE SOLD — Brown's Variety Store is slated to change hands during the second week of November. Long a landmark at Main and Spring Streets, the Brown building dates from 1859. It was built by D. A. Twitchell as "a store and dwelling house".

The Brown family has operated the store since 1936. Established by Mr. and Mrs. Leroy Brown, the proprietorship of Brown's Variety Store has been carried on by the current owners, Mr. and Mrs. James L. Brown.

Martin Mendoza has contracted to purchase the property. Originally from a small community in Kansas, Mr. Mendoza will be leaving New York to make his home in Bethel. He will be living above the store, thus continuing in the tradition begun by builder Twitchell.

The Bethel Savings Bank will be providing financing for the purchase of this community business. Mary C. Gillies, of Gillies Realty, is the broker facilitating the sale.

Miss Amy Hanscom, Corres. — The Oxford County Mineral and Gem Club met Thursday evening, Oct. 27, at the Moses Mason House, Bethel. A Girl Scout Group from Rumford were guests. This group has asked the club to identify and catalogue a collection belonging to the Rumford School Department. The club plans to do this at their next meeting, which will be held on Nov. 17, a week earlier than usual. Refreshments were served following the meeting.

Gilberte Seeley was guest of honor at a birthday party Oct. 24 at the home of Louise Tetley. Attending besides the hostess and honored guest were Sylvia Wight, Eleanor Morton, Betsy Clark, Olive Anderson, Karlene Bachelder. The birthday cake was made and decorated by Karlene Bachelder.

June Swan, Olive Anderson, Betsy Clark, Karlene Bachelder, Eleanor Morton and Gilberte Seeley went to Rumford bowling last week. Karlene Bachelder was high scorer.

The subject of Pastor Hanscom's sermon Sunday was "Words From the Wise" with scripture from the 13th Chapter of Hebrew. Bible Study Classes are held each Thursday from 10 to 11 a. m. at the home of Mr. and Mrs. Owen Wight.

Mr. and Mrs. William Wight and Samantha, Augusta, were guests of their parents, Mr. and Mrs. Owen Wight, Sunday.

Congratulations Brent! Due to a conflict with work schedules, the Ladies Circle will not meet with the hostess as per the new calendar. It will meet at the home of Sylvia Harrington on Nov. 7 at 7:30.

The Windy Valleys Snowmobile Club of Newry enjoyed a pot luck supper and Halloween get-together on Saturday evening. Twenty members and guests were present. Bill Wight showed slides of their trip to Vancouver, B. C., through the Canadian Rockies which he and Sylvia took just a year ago. Next meeting, Nov. 17 — pot luck at 6:30. A representative of the Bethel B.E.A.R.'s will be attending to tell about some basic First Aid measures while snowmobiling.

The Newry Mothers' Club hosted a Halloween Party at Rae Bartholomew's Saturday evening. Approximately 25 parents and 25 children attended. One room was set up with all kinds of scary things and many a parent cringed or grabbed for a friend for security as the horrible things suddenly appeared too close. Prizes were given in four categories. Winners were: scariest, Zackery Boylan; funniest, Jacob Lane; cutest, Tracy Bachelder; most original, Denise Gauthier. Halloween goodies were served. Special thanks go to Rae Bartholomew, Brenda Bartholomew, Audrey Brooke, Robin Fraser, Brent Bachelder, Susan Bowie, Debbie Mills, Melissa Sylvester.

VOTE YES

On Water District Acquisition

Bethel's Water System is the only area of public service outside of Town administration

A YES VOTE — which would combine Water & Sewer Service — could save users money by:

Less man hours
Single bill for both Services
Eliminating need for two separate buildings
Allowing for utilization of Town equipment and crew

A YES VOTE — does not mean additional tax monies. Sewer and Water users pay the costs—no additional debt will be incurred by this change.

A YES VOTE — will make the Water Service more cost effective & responsive to their customers

Mrs. Collista Morgan, Corres. — My last walk in October was the one which I wrote about a couple of weeks ago—to the Farm Fields. Since Oct. 13 I have spent each day with the shingles. Why that name? I can not imagine. I could give a more appropriate name I'm sure. I won't! Each evening I say "I'll be better tomorrow!" Some day I will I'm sure but the beautiful October days have gone.

However the sun has risen for a new day and I sit here with my door open as I have done for most of 17 days and I'm reading another of Stanley Foss Bartlett's poems called

The Autumn Comes
The autumn comes like a gypsy
through
Across the hills and arrayed
along
The roads and streams with a
song and a cry
That stir the smug as they
roll by.
The creek runs gold where they
dip their toes;
The wall flames red where they
tear their clothes;
The mists rise late where they
build their fires;
The forest rings where they
pluck their lyres;
The heavy burns through its
two brief days;
Their passions fair while yet
they may;
Their men are boastful; their
maids are bold,
For they know gypsies soon
grow old.

Now I have shared it with you.
What can I wish that this day
may bring me?

Nothing at the expense of others but I do wish to be thankful. I am thankful for friends who understand. There have been so many notes and cards. Nice neighbors have visited and brought

B.E.A.R.S.

(Bethel Emergency Ambulance & Rescue Service)

There will be a meeting with the Town Selectmen on Nov. 7, to discuss the future of the Bethel Ambulance Service. The public is invited. There are so many old B.E.A.R.S. retiring that they can not give Bethel the coverage that you are used to unless there are more people willing to become members and help this situation. If you care, come join us at this meeting.

On Nov. 8, the American Legion has invited the B.E.A.R.S. to a pot luck supper. This will be at 6:30 at the Legion Hall. On Nov. 15 the Lions will have a guest speaker on drugs at the Odd Fellows Hall. They have invited the B.E.A.R.S. to attend this also. They are having a supper, too—if you plan to attend please bring a hot or cold dish. This will be at 7 o'clock.

The B.E.A.R.S. held a special meeting on Oct. 30 to discuss how they can possibly keep on covering the area with the present coverage with so many members leaving in December. No one wants to see the B.E.A.R.S. disband. We need help in order to keep helping you.

Safety Tip of the Week — "Hunting Season"

On Nov. 5, deer hunting season opens — Be sure that the deer you shoot at has four legs. Make sure of your target before you shoot. Mothers, if your children walk to school or wait for the bus by the road where it is wooded: be sure they are dressed in bright colors. Be a safety-minded sportsman. Good luck to all.

Letter to the Editor

To the Editor:

I am writing from Andover to support Jeff Mills for State Representative from our District. I am working to elect Jeff because I know he is a hard-worker, who has the experience, and the energy, to do the job of representing full-time in Augusta. I have been with Jeff as he talked with people in Andover and I know that he really cares about our concerns. He has taken the time to come to our meetings, and to call at our homes, and I am sure he will keep this caring quality when he is in office, if we give him the chance to represent us.

I hope people in Andover, and in the other towns in District 63, will get out and vote on Tuesday, Nov. 8, and vote for Jeff Mills.

Sincerely,
Florence Michaud
Andover, Me.

October, 1983

To the Editor:

On Nov. 8, 1983, we will be going to the polls to do a number of important things. We have a full complement of bond issues to decide upon, as well as the Moose Hunt Referendum.

The residents of House District #63 will have an additional item on their ballot—choosing a replacement for Karen Brown.

In addition to commending Karen for excellent service as a State Representative, I also want to say a few words about Jeff Mills, who is a candidate for her House seat. Jeff would make an excellent Representative. In addition to his confidence, he will bring enthusiasm, dedication and sensitivity to the position. I feel that Jeff deserves your vote.

I am currently serving in my fifth term in the State Legislature. This experience has given me the opportunity to know many people in the public sector. I feel that Jeff Mills would be an asset to the Maine House of Representatives. I know that he would work hard to represent your views and look after your problems.

I hope that you give Jeff every consideration when you mark your ballots on Nov. 8.

Thank you for voting on Nov. 8. Your vote will provide direction to state government, select which state services are available, and select a new Representative.

Sincerely,
R. Donald Twitchell
State Senator
District #5

To the Editor:

Popular words these days seem to be Excellence and Productivity—used in many areas of our lives.

This fall, both of these terms apply to Jeff Mills, the candidate for State Representative in District 63. Jeff surely represents excellence. He is the product of some very good educational efforts in the SAD 44 elementary schools, Telstar Regional High School, and the state university system, and a fine testimony to a solid small town upbringing. He has built on these good Maine opportunities, and excelled, earning awards for academic achievement and service to the community and the state.

Productivity is also characteristic of Jeff. He has been able to channel his energies and the energies of those around him into productive areas, whether in organizing activities, working for government, or producing magic shows. In District 63, we would be wise to put him to work for us in the legislature, and give local talent a chance to shine.

I urge you to vote for Jeff—an excellent choice on Nov. 8 and an investment in a productive future!

Sincerely,
Cathy Newell

To the Editor:

I am writing in support of Barbara D. Brown's election to the Maine House. Being a life-long resident of Oxford County and knowing the area well Barbara will conscientiously and continuously work for the good of the people. She will work full time in support of issues concerning Senior Citizens and will work also to see that communities in this district receive their fair share of highway funding. As a full-time representative Barbara will devote her time, knowledge and experience to the people of District 63. Your support for Barbara Brown will benefit us all.

Sincerely yours,
Muriel Faudi,
President,
Bethel Senior Citizens

To the Editor:

I am writing to urge that voters in District 63 turn out to vote on Election Day—this coming Tuesday, Nov. 8—and cast their ballots for Jeff Mills in the Special Election for State Representative in District 63.

I know Jeff well, having been a fellow student with him at Telstar, and his roommate at the University of Maine. He is an exceptional person with qualities of leadership that are rare.

I would especially urge those individuals who are not registered to vote, or who have been reluctant to vote in the past, to come to the polls on Tuesday. You may register on Election Day, and you will find that your vote can make a difference if you vote for Jeff Mills.

Sincerely,
Glenn Conrad,
Andover, Maine

Oct. 31, 1983

To the Editor:

In regard to the current legislative race in District 63, I would like to make a couple points: (1) We are indeed fortunate to have two well qualified candidates; (2) If the young gentleman from Woodstock should win, the towns of Bethel, Newry, Upton, Gilead, Byron and Hanover, along with the plantations of Lincoln, Magalloway and Rangeley would only have his services for the year of 1984. Since the districts are to be realigned in 1985 Woodstock will be no longer with the above-mentioned towns. On the other hand, if Barbara Brown should win she will be in a good position to carry on after 1984.

Sincerely,
Norman K. Ferguson, Jr.
Oxford County Commissioner

Dear Friends:

On Tuesday, Nov. 8, you will be going to the polls to vote on many issues. These include the Moose Hunt referendum, plus several bond issues and constitutional amendments. District 63 voters will also be asked to elect a new State Representative.

In this campaign, I have been going door-to-door in an effort to meet as many people in the District as possible. Why? Because I think that it is vital that state representatives know the people they are representing.

If elected, I plan to continue to stay in close contact with the people of District 63. Using questionnaires, newsletters, and weekly news columns, by attending meetings, and, of course, by maintaining close personal contacts, I hope to keep abreast of your concerns and opinions.

In closing, I would like to thank all of you who have so warmly welcomed me into your homes during the past five weeks. My sincere thanks for everything!

Respectfully,
Jeff Mills
Candidate for State Representative, District 63

Nov. 1, 1983

To the Editor:

I believe Barbara D. Brown to be the best qualified candidate for election to District 63 of the Maine House of Representatives for the following reasons: (a) She has a wealth of experience in politics, community service and work; (b) She is a "people" person, relating well to people and their problems; (c) She possesses a familiarity with the issues and the ability to untangle complicated problems; (d) She is a hardworking, dedicated and effective community leader; (e) She knows the Oxford County area and how to serve it well.

On Nov. 8, I hope citizens will vote for experience and ability. For the above reasons they should strongly support Barbara D. Brown.

Yours truly,
Jean S. McGuire

To the Citizens of Bethel:

Next Tuesday you will have the opportunity to accept or reject many proposals at the ballot box. The issue concerning the Bethel Water District is closest to your health, well being and pocketbook.

It proposes that the Town of Bethel assume control of the Bethel Water District. This is a terrible idea and without merit of any sort. The Bethel Water District was created by the Legislature at the request of the voters of Bethel. The Trustees of the District are appointed by the Selectmen. This is a system that has served the public well for many years. Just a few years ago the Bethel Water District was considered by the P. U. C. to be one of the very worst in the State. Today it ranks amongst the very best in the eyes of the State of Maine. In the past several years every water quality test conducted by the state has been most acceptable. The State recently issued a commendation to the District for the quality of its product, water. Such was not the case a few years ago when we had the dubious distinction of never passing the test for months on end. That is progress, pure and simple.

The previous Board of Selectmen, at a meeting with only three members present, requested a State Senator from thirty miles down the road to sponsor this bill,

Dear Editor:

I am pleased to recommend to the people of the 63rd District the candidacy of Barbara D. Brown for the State House of Representatives.

Barbara has been a resident, taxpayer, and wage earner in her district for many years. She has raised a family in Bethel and has worked at the Casco Bank in Bethel for over 15 years.

She has been in constant touch with the problems in her community and the needs of the people. Her residency, her work, her raising a family, and her social and political activities clearly demonstrate her full-time commitment to her community.

Barbara's election would help restore a two-party system to our state government. She would be a forceful voice for the people of her district, representing their interests and working for their concerns. Our state legislature needs the leadership, commitment, and concern that Barbara Brown offers to the people.

On Nov. 8, I recommend that the voters of the 63rd District cast their ballot for someone who has demonstrated her commitment to the community through service and activity. I ask you to support Barbara D. Brown for the State House of Representatives in the 63rd District.

Sincerely,
Loyall Sewall, Chairman
Maine Republican Party

To the Editor:

Voters in the Nov. 5 referendum should carefully consider supporting Question Four which includes funding for correctional facilities, court houses, waste water treatment plants, hazardous waste facilities and a variety of state facilities including the Maine State House. Also included in the fourth question is \$1.5 million for restoration and preservation of historic buildings open to the public. Passage of this question would allow qualifying properties to apply for 50% matching funds created by this bond issue.

It is important to remember that historic structures open to the public and on the National Register have a capital repair need of \$4.5 million. Two years ago the State Preservation Office received \$2 million in requests for available rehabilitation grants on only \$161,000. It is clear that deferred maintenance is seriously diminishing Maine's historic properties. They are particularly important for educational and tourist purposes, since 1981, 534,000 people visited them. If we are to keep our reputation as "Vacationland" we must ensure the survival of these important resources, several of which are in Oxford County.

I hope your readers will join me in supporting Maine's heritage and vote "yes" on Question Four on Nov. 8.

Very sincerely yours,
Stan Howe

To the Editor:

On Nov. 8 the citizens of Bethel will have a chance to vote on several referendum questions, one of which will be whether or not the Town of Bethel should acquire the Bethel Water District. A "yes" vote will require that "we the people" will assume the assets and liabilities of the District. The Water District now has a Farmers Home Administration loan in excess of \$200,000 financed at 5%. If the town obtains a loan to purchase the Bethel Water District it would be financed at current rates of 9.125% which would be a substantial increase for users who are already saddled by one of the higher rates in the state, if the Bethel Water District is kept self sufficient by the cost being passed on to the consumer. If we "assume the debt" it would be done at the same interest rate, 5%, but would have to be for a short period of time meaning the town would have to make up the difference in one lump sum and the remainder spread over 30 years, or if the loan is re-written the interest rate would be higher. The original intent to acquire the Bethel Water District, by this referendum, was to save money for the taxpayer by combining the water district and sewer department into one. A feasibility study which was conducted this summer showed no substantial saving in which he did. Later, the Selectmen ordered a Feasibility Study. Want to talk about the cart and the horse? A 12 page study with another 14 pages of attachments was the result. One of the conclusions, the most important one, was that cost savings are negligible. A majority of the new Board of Selectmen that assumed office last March are on record as opposing this matter.

The Bethel Water District serves its customers well without one penny in tax money. Would this be the case if town government assumed control? The District is in sound financial condition and there are simply no rate increases needed in the foreseeable future. It is a well run business and should be left well enough alone. We urge you to vote NO on this question next Tuesday.

PASTOR HANSON TO SPEAK AT WOODSTOCK HISTORICAL SOC. MEETING SATURDAY, NOV. 12

Saturday, Nov. 12, at 7 p. m., at the Woodstock Elementary School, Pastor Linwood Hanson will address the Woodstock Historical Society on the history of the Bryant Pond Baptist Church, where he has been minister for over 20 years. No doubt he will include the account of some of the more recent renovations to the building in which he has been instrumental.

Perhaps appropriately, the Curator would like to note that this year marks the 500th anniversary of the birth of Martin Luther, who began the Protestant Reformation. His motto was sola scriptura, sola gratia, sola fide—belief is a matter of scripture, grace, and faith. It transformed the face of Western Christendom. He preached a personal relationship with God, rejected the sacramental system of the Catholic Church—especially the indulgences of the day, and wanted to curtail the veneration of the saints and celibacy of the clergy. Much of the New England Puritan Tradition originated in such figures as Martin Luther and Calvin, and it becomes Historical Societies to study all aspects of religion in Maine. Being non-sectarian, they do not espouse any particular religion but examine each as part of the cultural milieu they study. The Society is therefore very grateful to have the Baptist Church represented at its meetings and hopes to hear the histories of other area churches in the near future.

Also, the Curator is presently taking a cataloging course from Mary Valentine at Telstar through Adult Education. He previously had a course in Library Science from Helen Fischer. Along with the valuable experience he received while working at the Moses Mason House several years back, these courses will help insure that Society artifacts and books are properly cared for. Tip: Did you know the latest term for objects given to Societies is "realla"? Now there is a new name to deal with besides "artifacts".

HALLOWEEN FESTIVITIES CONTINUE

The Telstar senior class banquet committee will be sponsoring "Horror Shorts" and "Cartoons" Friday evening, Nov. 4. The event, planned to elicit screams and chills, will begin at 7:00 in the Telstar Auditorium. This is the second activity the group has planned to raise funds for their June outing. Come support the class of '84 at the door.

ROLLER SKATING FOR YOU!

The Telstar Middle/High School physical education department is pleased to announce a skating demonstration and workshop for Thursday, Nov. 10. All students in grades 6-12 can pre-register.

Roller skates will be provided when students pre-pay and give shoe sizes to instructors. American Skates is providing the demonstration in hopes to encourage further roller skating activities in the Bethel area. A small donation will be collected at the door for the Zodiac treasury. Parents, encourage your son or daughter to participate. There'll be two hours of fun for everyone.

BETHEL MILLS COMMITTEE PROVIDING CHILD CARE ON ELECTION DAY

— Louise Loring, Corres. —

You will find the little chickadee appearing frequently at your feeders, now that November is here, having a tasty luncheon of sunflower seeds, a bite of suet, or a dab of unsalted peanut butter, which adds a tasty touch to his dining. He can consume seeds by the bagful and snacks about at our feeders from daybreak to dusk — with his entire family — dancing about here and there.

All summer he has resided with in the depths of the deepest forest, cared and tended for his little family and hasn't bothered to pursue his usually neighborly tendencies.

But now that this cycle of his little life is completed, and the skies turn to a sullen grey, he is again stopping by, and keeps us company with his cheery little greeting, as he joyously calls out his pleasure at just being alive and well. Right through the deepest snow and piercing cold, he will continue to sing happily, and will be the most frequent guest at our "Aviary Salad Bar". Without his presence the long cold season ahead would be a dreary one indeed.

Upon special occasions he will be pleased to accept the donation of a doughnut tied onto a limb with a string, and how he keeps his balance, as the confection is twirled, and spun about by the strongest gales, is a feat of his that we never cease to marvel at.

The joys of feeding all the winter birds are many, but the song of this cheery little fellow is incomparable, his stout cheery heart one we all could take lessons from.

Already we are enjoying other guests, Mr. Harry Woodpecker, The Jay Family, Flocks of Grosbeaks, the Red Finches, many tiny sparrows and one or two nut-hatches.

We are patiently awaiting the appearance of our beloved cardinal, who has fed here for the past several seasons. Last year he appeared without his Mrs., and seemed so lonely all winter long. We hope the delay of his arrival is due to the fact that he is having difficulty in wading another suitable mate, to replace her, as usually by mid-October, in the past we have seen a flash of scarlet in the hedgerow, indicating that it was he, upon his annual inspection tour, and it is certainly long overdue.

We are both hoping that sometime soon he will arrive.

So keep the Red Alert—Watch for Mr. Cardinal! And Keep a Song in Your Heart—This Too Shall Pass!

The Gilead Women's Club sponsored a Halloween Party Monday evening at the Old Town Hall for the Gilead children. Games were played and prizes awarded to the following children: Under 10—Sara, Brenda Taylor; Pretty, Alicia Taylor; Funny, Amy Ferron; Original, Bradley McLain. Over 10—Sara, Timmy McLain; Pretty, Kathy Taylor; Funny, Mark Cole; Original, Frankie Corriveau. Special prize, Jody Barnes. The club wishes to thank all who donated candy and time to make the Halloween events a safe and happy one for the children. A great time was had by all.

Anita Ferrand has been more or less confined to her home for the past couple of weeks, suffering with a severe bout of arthritis.

Nancy Corriveau enjoyed an overnight stay in Canton with her mother, Rachel DeCoster, last week.

"Jack" Corriveau and family are adding a porch to their home, and it was noted Sunday, that it was starting to look great.

Mr. and Mrs. Gerald Loring hosted a harvest dinner Sunday at the home of Mrs. Elsie Bryant in Bryant Pond. Present were:

Upton

— Mrs. Arline Bernier, Corres. —

The former Judkins' Market received extensive damage from a recent chimney fire.

Wayne Atwood did some repair work on "Grammies" for the Bergerons and put some siding and shingles on the front of the building.

Leslie Robertson has begun a small woods job on Judkins' lot on Lane Hill.

Mr. Bennett of Newry is bulldozing the Yates job on Boise Cascade land on Back Street.

Several attended the last service at church with Pastor Shaw officiating before his month long special missionary tour to Africa. An Andover and other pastors will fill in during his absence. Pastor Shaw will return to his regular duties in Rumford and Upton in early December.

It was amusing to have a friend who winters in Southern New England area express surprise that I am able to further my education by taking a course in the cultural arts dept. She wondered how anyone was able to take these studies "way up there". There are so many opportunities in several places either with college credits or just for enrichment that it is difficult to settle for only what fits one's time. What do people who are not here winters envision? That we stagnate or hibernate like bears?

Reggie Edwards and family spent the week end at their home on Dwellers Hill. The girls walked up to visit arriving about two minutes from the time I started a stove side bath. I always keep handy a large terry cloth garment for such an emergency but this is the first time I've needed it.

George and Pauline Hebert of Jay called at Heritage Farm on Sunday.

The Church group decided to hold services in the Ladies' Aid building as long as the congregation remains small, to save on heating costs. We miss the fine pastoral service from the last two years.

Pastor Larry Shaw will hold one more service here before going on a special missionary duty for a month. The pulpit will then be provided by guest pastors. Thursday Bible Study will be conducted by residents in turn.

Mike Bergeron is in Farmington working on a cement foundation job.

There are still quite a few robins around.

A few snow flurries arrived one morning. Did not flourish nor live very long.

Sent in by Viva Whitman:

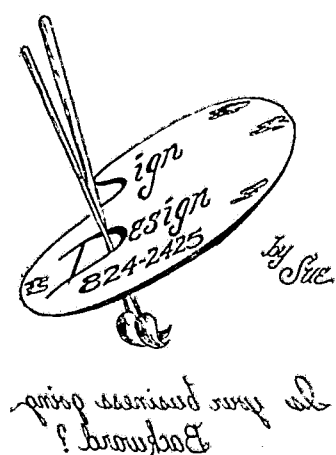

It has been a busy week for all of us here. Peggy has been packing to go to Florida for the winter and the rest of us have been doing other things. Can't tell all that Russell and Peggy did, as I was in Lewiston visiting my daughter Wynona Woolf and family. Made the most of my time there too. I enjoyed watching my little granddaughter Courtney, seeing all the new things she can do and teaching her a new trick while there. She is active and alert and doesn't plan for anything to get by her, but I didn't think she could learn to wave her hand yet as she is only five months old, but she did. Don't mind my boasting a little, I'm just one of those proud Grandmothers who love to talk about their Grandchildren.

Wynona brought me to Norway on Wednesday for an appointment. I had there and also spent her time at the Child Health Center where she works a few hours a week. She also brought me to Norway again on Thursday and I met Russell there. We spent a pleasant time visiting Mrs. Jeff Hoyt then went to a restaurant in South Paris where we had supper. The fish chowder we had sure hit the spot. From there we came up High Street and got the trailer that Russell hauls things in. He had hauled a load of things down to Brother Lawrence's place. Friday was my day to go to Fryeburg to see the doctor. Was glad it was a good day to travel. I kept looking to see what was left for colors, but not much but brown, a little orange here and there, and different colors of yellow. There are sure a lot of places where one can look through the woods quite a ways now with the foliage gone. I hate to see it go but know it will, and soon.

Saturday was a busy day as has been the rest of this week. I got busy packing canned goods to move to Lawrence's place in West Paris and Russell did all that he could outside in the morning, but decided it was too cold to work outside after lunch, so worked in the house instead. We didn't care to see the snow flurries that came most of the day Saturday, but was thankful that none of it stayed on the ground. That will come soon enough.

Sunday was another day of packing and after lunch we headed for West Paris with the canned goods I had packed Saturday. It was a such a nice day even though rather cool.

As you may have guessed by my referring to packing, we will be moving in a few weeks so I will be writing to you from a different location. However, I hope to keep up my diary writing as long as there are those who like to read my foolish ramblings or whatever you want to call them. It has long been my ambition to write, but never thought anyone would be interested in what I had to say, so I thank all of you very much, who have told me that you liked to read my silly writing. It means more than you could possibly know.

The 2nd annual Halloween party and haunted house was held Monday night at the town hall. The party was sponsored by Cabot Lodge #117, K. of P. A costume contest kicked off the activities. Competition was tough and Judges Jane Rich and Carol Stuart did a fine job in choosing the winners. Winning in the preschool-grade 2 group were Augusta Yates, scariest; Daniel and Fred Emerson, most original; and Forest Fyberg, funniest. In the grade 3 thru 6 group were Andy Hutchins, most original; Jenny Percival, funniest; and George Cassavant, scariest. Refreshments were available, and fortune telling "gypsies" read your palm. The event of the evening, of course, was the haunted house! The Knights of Pythias and their helpers are to be congratulated on their most realistic event. Not only the children came out more than a little bit frightened!

Sad to say, not all of the activities of the evening were to be complimented. Several young people hung around the town hall, shaving cream in hand, and did quite a job on people and cars. A message to these people and their parents: "Harmless fun" you say. After all, how much damage can shaving cream and an egg or two do? Ask that question to the young boy with shaving cream in his eyes. Ask the people who have to clean off their cars after your "harmless" fun. Do you have any idea what eggs can do to the paint on a car? Finally ask all of the people who worked to put this party on, especially your peers. The party was for you too, and quite a few of you were seen going through the haunted house. Is this your way of expressing gratitude? Parents, do you know what your kids were doing Halloween night? To those responsible: WHY?

She also received recognition on Come Craft and also on series of time lapsed snap shot photography.

Lettie, Olive, Verna and Audrey called on Mr. and Mrs. Irving Cushman at Winthrop, on their way home from State Grange. Lettie taught Irving and June in some of their school days so they enjoyed recalling those days in the short time we were there.

They were well except Irving cut his finger as we arrived so was nursing that cut. It was not serious, but wanted to bleed.

WALTER A. LORD

Walter A. Lord, of North Waterford, died Wednesday, Oct. 28, 1983, at the Pomeroy Hill Nursing Home, Livermore Falls, where he had been a resident for over three years.

He was born in Albany, Nov. 26, 1882, the son of John F. and Lydia Whitehouse Lord. He married Fay Bickford in 1901. She died in 1914 and he later married Eva Upton, who died in 1962. Most of his life was spent in North Waterford where he was engaged in farming. For many years he ran a meat cart delivering meat, milk, cream, butter and eggs. He was active as a cattle dealer, shipping cattle to markets in Massachusetts. He was a substitute mail carrier for 21 years, serving Albany and Bethel and often traveling on snowshoes during the winter months. He was also a registered guide for many years. He was holder of the Boston Post Gold Headed cane for being the oldest resident of Waterford.

He is survived by four daughters, Gwendolyn Pike, Bridget, Josephine, and Sandra; North Waterford; Kathleen O'Leary, South Paris, and Faye Crandall, Alfred; two sons, W. Lee, North Waterford, and Stanley S., Bethel; 16 grandchildren; 51 great grandchildren and 26 great great grandchildren. A son Myron Curtis, died in 1940.

Funeral services were held Saturday afternoon from the North Waterford Congregational Church. Interment was at Hillside Cemetery, East Stoneham.

MOTORISTS ADVISED OF THE WHITE CANE LAW

Motorists are reminded of the precautions necessary when meeting blind or visually handicapped persons walking with a white or metallic cane along the roadway.

The White Cane Law requires motor vehicle operators to take all necessary actions to avoid injury to an individual using a predominantly white or metallic cane, with or without a red tip, or using a guide dog," said Col. Allan H. Weeks, chief of the Maine State Police.

Col. Weeks said that failure to take such precautions makes the driver liable in damages for any pedestrian injury.

"The state police are making an effort to insure that the blind or visually handicapped enjoy the same right as our sighted citizens to the full and free use of the streets and sidewalks of our State," Weeks said.

Since 1970, nearly half of the increase in the female labor force has been among women aged 25 to 34. Today, one out of four women workers is in this age group, according to "Women at Work: A Chartbook," published by the U. S. Department of Labor.

Proper Nutrition — A Vital
Force in Good Health

Contrary to the old adage, you are much more than what you eat. Your state of health is influenced by your physical, psychological, emotional and spiritual well being; by your genetic make-up; and by your environment. Yet it's true that in large part, your body reflects the time, effort and respect that you give to your physical well-being. And the foods that you eat play a vital role.

If you have no highly specialized dietary needs, you can balance your diet by including foods from the "Basic 4" food groups: fruit and vegetables—two servings daily of each; grains and cereals—four or more daily servings; milk

and other dairy products—two daily servings for adults, three or four for children, teens and nursing mothers; and meats, fish and poultry—two or more servings a day.

An even easier method of achieving a balanced diet is to consume foods in as close to their natural form as possible; combine the greatest variety of color and texture possible at each meal; include a daily source of high fiber food such as bran to aid digestion; drink several glasses of water a day.

On Nov. 10, Jeanine La Pointe from Rumford Community Hospital will be the Health Center's guest speaker on the subject of nutrition. She will be glad to provide more information on balancing your diet. This program is part of the Health Center's Mini-Series and will be held on Thursday, Nov. 10, at 7 p. m. in the Library at Telstar Regional High School.

THIS WEEK AT THE
MOSES MASON HOUSE

All members and friends of the Bethel Historical Society are reminded that the monthly meeting of the Society will be held this Thursday evening (Nov. 3) in the meeting room of the Dr. Moses Mason House beginning at 7:30. Society Director Stanley Howe will discuss "Bethel During the Civil War" and refreshments will follow the program. Anyone interested in attending the meeting is cordially invited to do so.

The Bethel Historical Society hosted a special meeting of the Oxford County League of Historical Societies Saturday with about 30 attending, representing a dozen of the member organizations. Featured speaker was Earle G. Sheldworth Jr., Director of the Maine Historic Preservation Commission, who made a slide presentation on Maine's historic structures, articulating the case for support of Question Four in the upcoming referendum. Each historical Society was asked to work in their respective communities to see that voters approve the \$1.5 million requested to preserve Maine's historic structures.

New member this week is Edith H. Russell of Brownfield.

The Society is well into its usual schedule of providing special programs on a regular basis to students in Grade 3, Crescent Park (Miss Merrill and Mrs. Ferguson) and Grade 5, Crescent Park (Miss Newcomb and Mrs. Wheeler). Last week the Moses Mason Museum was visited by 40 students in American History from Lake Region High School and other student groups are expected throughout the fall. Providing special local history and museum programs for students is an important part of the Society's mission in serving the people of western Maine.

A message from JEFF MILLS,

CANDIDATE FOR STATE REPRESENTATIVE

TO THE VOTERS OF DISTRICT 63:

Dear Friends:

As this campaign draws to a close, I want to thank you for your friendliness and hospitality during the past four weeks as I have campaigned in District 63.

You have been clear in your expectations for a State Representative, the office for which I am a candidate in the Special Election on Nov. 8. You want a representative who will listen, and who will be available to work energetically to find solutions to individual, community and district problems. You want a representative who will keep in touch, and who will be accessible to residents of all District towns. You want a representative to work hard for you in Augusta.

I pledge to you that I will be that kind of representative, and I respectfully ask for your support and your vote in the Special Election, next Tuesday, Nov. 8.

Sincerely,
JEFF MILLS
